

VALENTINE KALCHEVSKI

FRONT-END DEVELOPER

ABOUT ME

Front-end developer with experience in creating SPA using React, Redux, HTML, CSS, JS./TS.

My free time is dedicated to Codewars, programming tutorials and educational books. I'm expanding the horizon in back-end way. In the future I see myself as a Full Stack Developer.

I would like to find a project work/full-time job in a creative company with up-to-date tasks and collaborative team!
